

Faculty Meeting

November 6, 2023

2:30 – 3:00 P.M.

Present: Peter Beerli, Hristo Chipilski, Nick Dexter, Gordon Erlebacher, Chen Huang, Bryan Quaife, Sachin Shanbhag, Kevin Speer, Xiaoqiang Wang, Olmo Zavala Romero

1. The main discussion in this meeting was focused on increasing the numbers of both undergraduate and graduate students. At this point, Karey said there were about nine applications in the SLATE “Incomplete Bin”. Most of these applicants are international students. FSU now requires all international students to pay for a course-by-course evaluation by a credential evaluation service provider, such as SPANtran. This requirement is added to the applicant’s checklist in SLATE.
2. Peter asked if the faculty were actively recruiting students to our graduate program. Hristo reported using LinkedIn and got a great response from many prospective students. Faculty were encouraged to use LinkedIn and other resources such as SIAM as a recruiting tool.
3. The meeting adjourned at 3:00 P.M.
