

DSC Faculty Meeting
October 8, 2012
401 DSL – 4:00 PM

Present: Peter Beerli, Gordon Erlebacher, Anke Meyer-Baese, Michael Navon, Janet Peterson, Tomasz Plewa, Sachin Shanghag, Dennis Slice, Xiaoqiang Wang, Ming Ye

Absent: Anter El-Azab, Max Gunzburger, Alan Lemmon, Jim Wilgenbusch

SC Faculty Meeting Discussion

1. Minutes from September 4, 2012 were approved.
2. Gordon Erlebacher asked everyone to sign up to give a seminar for Introductory Seminar in Research for Computational Science(ISC 5934).
3. There was much discussion concerning the Undergraduate course curriculum lead by Tomasz Plewa the chair of the Undergraduate Curriculum Committee. A unanimous vote was taken to interchange the position of when Algorithms for Science Applications I (ISC 4220) and Algorithms for Science Applications II (ISC 4221) would be offered.
4. Anke Meyer-Baese summarized a series of emails relating to the departmental website on behalf of the Publication Committee.

The meeting was adjourned

The next faculty meeting will be held December 10, 2012 at 4:00 pm.
