

DSC Faculty Meeting

May 1, 2017

499 DSL – 2:30 PM

- i. Faculty Attending: G. Erlebacher, M. Gunzburger, C. Huang, A. Meyer-Baese, J. Peterson, T. Plewa, B. Quaife, S. Shanbhag
- ii. The most recent recruitment video was viewed. There will be a final version. The words “odd balls” will be taken out. A second video will be created in the future to target undergraduate students specifically. Faculty were encouraged to email Gordon with suggestions for the video.
- iii. There will be 9 new graduate students in fall 2017 as is currently the case.
- iv. As mentioned in previous meetings there was discussion about changes to PIC and the impact it would have on our TA's.
- v. The need to increase the undergraduate student numbers was discussed. There is an effort by our department to become more involved with FSU admissions and orientation. We will have a presence at all the upcoming freshmen orientations.
- vi. There was a brief discussion of co-advisors – how did this policy come about and is there truly a need.
